

The Best in the West

All you want and enjoy is easily accessible from the Bridge. The King West, Liberty & Queen West neighbourhoods are the very definition of energy and excitement. The established neighbourhood of Queen West offers a vibrant mix of artists' galleries, mom and pop shops, antique stores, restaurants, boutiques and some of the city's most exciting bars and nightclubs. The Drake Hotel, S.P.I.N Gallery, The Gladstone Hotel, The Beaconsfield, Beaver Cafe, The Swan, 69 Vintage, The Cadillac Lounge and so many others offer endless options for all tastes.

The King West neighbourhood is unfolding in an ever expanding explosion of excitement, with the emergence of Liberty Village, brand new fitness clubs, the Liberty Market, hip furniture stores - perfect for furnishing your new abode, the delightful Liberty Cafe, the Roastery, an incredible Farmer's Market during the summer months, a 24 hour Dominion and so much more still to come!

Venture just a little further from home and enjoy the beautiful Trinity-Bellwoods park or head down to walk, cycle or jog the boardwalk along the western beaches and the Martin Goodman Trail. Plus, with your choice of the King or Queen streetcars, each within a short walk of the Bridge, the rest of the city is quickly and easily accessible.
